Co-laboring with the Lord to Prepare God's People to Establish His Kingdom in the Nations of the Earth

Dear Pastors and Leaders and Members of the Body of Christ:

**This message is to inform you of the upcoming planned changes in the ministry of Releasing Destiny World Wide and Pauline Burthwick.** Our ministry has become aware of so many needs in Africa for education for pastors and leaders and the ability to give evidence of that education as well as the need for true church of Jesus to arise and for people to come to maturity in Christ. As a result of this, we will be starting a **school called Releasing Destiny Discipleship Institute** which will have a **mission base in Busia, Kenya.**

We have a vision to impact the nation of Kenya and Uganda and any others that come to join the courses. One challenge may be that all of the courses will be taught in English without interpretation, so students must be capable of learning and participating in English. **Notifications of the specific classes and dates offered will be posted on Facebook in my personal page and in these email messages.**

The nature of these courses **will not be a duplicating of core Bible School or Seminary classes**, although some of the courses will be similar or perhaps like what many would consider to be elective courses. **The focus will be on developing skills and practical application (through experience) within the student of the materials taught, leading to an increase in knowledge, faith and skills in coordination with the Holy Spirit of God. There will be a focus on Discipleship – first you – then you bring to others.**

The church sorely needs solid TEACHING and TRAINING, not just emotional preaching and false gospels such as promises of PROSPERITY BY SOWING A SEED or assurance of HYPER GRACE of God which says people do not need to repent from their sins. People need to understand about the Kingdom of God and righteousness and be given the meat of how

to live out the transformed Christian life. Our hope is to equip and receive testimony of participants for personal transformation; to move from believer to disciple to servant to friend of God to manifestation as one of the sons and bride of Christ. And that once they are securely on this journey, we believe they can replicate these teachings within their ministries and spheres of influence to lead others in the way the Father would have them to go. So, we have explored this a bit and have taken the following steps, which we believe by faith will be the direction we are going.

**Releasing Destiny Discipleship Institute**, a subsidiary of Releasing Destiny World Wide, has signed an agreement with **Christian Leadership Seminary (CLS), School of Impartation**, (an affiliate of Christian Leadership University) CWG Fulfillment Center, 3792 Broadway St., Buffalo, NY 14227, USA Certificate granting privileges in Port Lucie, FL, USA phone 716-681-4896.

It is our intention to offer the following courses which will qualify the student to receive “The Healed Heart Certificate” from Christian Leadership Seminary once all courses and written requirements have been completed. The courses for this certificate include: 4 Keys to Hearing God’s Voice, Counseled by God, and Prayers that Heal the Heart. After each course, students will first receive a Certificate of Course Completion from Releasing Destiny Discipleship Institute and when all three courses are completed upon payment of a \$15 fee, we will send your names and the grades to them and the certificate will be granted to you from Christian Leadership Seminary, School of Impartation.

Once these courses are completed, we hope to continue teaching the following additional courses which coupled with the first three will lead to a “Spirit-Anointed Counselor Certificate” granted from Christian Leadership Seminary School of Impartation when all seven courses have been completed and a \$15 fee is paid. The remaining four courses are: Take Charge of Your Health; Hearing God Through Your Dreams, Living Naturally Supernatural, & Parenting by Grace.

We are uncertain of the exact time frame in which these courses will be offered, but are hopeful that we might offer at least three or four per year.

Each course will be worth 3 credits (see the information below to know the requirements).

Releasing Destiny Discipleship Institute may also offer other courses such as:

Spiritual Gifts, Foundations of the Faith and Restoration of All Things.

These courses have not been determined as of yet, but these latter courses are not part of the above agreement with Christian Leadership Seminary School of Impartation so the only certificate for these other elective-type courses will come from Releasing Destiny Discipleship Institute. All of the courses will have minimal tuition to cover food and material costs.

**The tuition** for each course will be based on the estimated cost of materials, hiring of cooks and food. It is hoped that there will be space for out of town guests to sleep in a group room on mattresses if they bring their sheets, towels and necessary personal items. There is also availability to rent rooms at the Agricultural Training Center in Busia. This is about a 20 or 30 minute walk from the educational venue.

### **For Sleeping**

There will be space for students from out of the area to sleep in the “African” way using mattresses with students bringing their own bedding, tooth brush and tooth paste, and towels.

There is also the option of **renting a room** at the **Agricultural Training Center** which is a 20-30 minute walk or 50 bob by bodaboda. (In January of 2018 the room at the ATC was 400KES, about 14,700UGX and about \$4USD).

**The course fees at that time for materials** was 600KES, 22,000UGX and \$6.00USD (these costs can vary depending on the course and the amount of materials to be copied and provided).

**For meals – For 2 meal plan for daily commuters from the area** (breakfast and lunch 700KES, 26,000UGX, \$7USD), **For 3 meal plan for borders or those in guest house** (breakfast, lunch, late afternoon tea, and supper 1100KES, 40,000UGX, \$11USD)

**Estimated total course costs:**

**Daily commuters with 2 meal plan** (materials and meals 1,300KES, 47,500UGX, \$13USD)

**Boarders or those in hotel who want 3 meal plan** (materials and meals 1700KES, 62,000UGX, \$17USD)

**There are no scholarships available unless you find someone to support you.**

Be sure to plan well and come with enough money to get yourself back home.

**The first course that was offered is “Prayers that Heal the Heart”** in Busia Uganda from 8<sup>th</sup> January to 11<sup>th</sup> January at City Open Bible Church, host Pastor Patrick Ojiambo. 13 students completed this class. Future classes will be offered in Busia Kenya. There will be a limit of 25 students per class. You may take classes without pursuing the certificate if you are interested in a particular course and there is space available.

**Location of Ministry Activities – Busia, Kenya**

Dr. Pauline Burthwick, Ph. D. will be the Coordinator and primary facilitator for these classes which will be taught by video. The teacher through video will be Dr. Mark Virkler of Christian Leadership University/Seminary and his wife, Patty Virkler. The facilitator/coordinator, Pauline Burthwick has a bachelors’ and masters’ degrees in social work and a PhD. in Teaching and Learning/Education and has had training in inner healing and deliverance from 10 different ministries in USA.

Pauline has rented an apartment in Busia and the courses will be taught there in the education room which can accommodate 25 students. It is anticipated that each course will be 3 – 5 full days of training. We are hopeful that one course will be taught each month from October to February each year. Other ministry activities she will do is to minister inner healing prayer one or two days a week for pastors and leaders who are finding themselves challenged with emotional issues or sin problems. These appointments will be by schedule only and must be kept on AMERICAN TIME. There will be a prayer partner in each session as well. Pauline is also hopeful to do a book

study one afternoon or evening each week. **She will be doing much less traveling and conferences but may be available to do one conference per month as the Holy Spirit leads.**

### **More about the course requirements**

Courses will be taught in English by video and will include some practical personal and group application as well as a written component where attendees will need to have **pens and paper for taking notes and at least one 32 page exam book to answer questions 1-5 below.** Grades will be based on class attendance (all sessions are required or must be made up), class discussion and participation, written class assignments and the one-month follow-up impact report by email.

(Questions 1-5 should be answered thoroughly using about five pages to answer each question)

The questions that students will be asked to answer in their writing are:

1. My name, ministry I am associated with, my role in the ministry, and testimony of faith
2. What have I learned from the course (academic knowledge);
3. What has God spoken to me through the course (spiritual knowledge);
4. How God has asked me to change; and
5. How I see that I will implement that change in my life and ministry as a result of the course.
6. You will also be asked to send an **impact report** one month after the course to address how you have been applying what you learned and how it has impacted your life and your ministry.

### **Information About Accreditation**

Taken from <https://www.cluonline.com/accreditation/>

### **Accreditation Defined**

Accreditation is the act of certifying that an educational institution maintains suitable standards; the granting of approval to an institution of learning by an official review board after the school has met certain requirements.

Specifically, accreditation is the review of a school's course offerings and procedures by a group of its peers to certify that that school is meeting its

own stated objectives and offering its students the education it promises them.

CLU's Accreditation - Christian Leadership University (the seminary is under CLU) is accredited by Christian Accreditation International.

**Christian Accreditation International** accredits Christian colleges and universities who have operations in the United States and internationally. This organization is a voluntary, non-governmental, membership association that promotes Christian education across denominations and sects with diverse student populations. Our accreditation is upon the whole institution rather than specific programs within institutions.

Christian Leadership University was also certified by the [Apostolic Council for Educational Accountability](#) (ACEA) for the entire 11 years of ACEA's existence (1998–2009). Dr. C. Peter Wagner, head of the Wagner Institute for Practical Ministry, formed this group as an alternative to traditional accreditation for the new apostolic churches that are emerging. They have now changed the acronym ACEA to the name of their new entity, "Association of Christian Educators and Administrators." Both CAI and ACEA provide evaluation and accountability without distorting the purpose and vision of Christian Leadership University. In addition, CLU believes that the Spirit-empowered ministries that develop in your life accredit its discipling experience.

### **Government Accreditation**

Christian Accreditation International and the Apostolic Council for Educational Accountability are not recognized by the U.S. Department of Education.

Accreditation is "a review by your peers" that ensures that you are offering a quality program. CLU has received that. CLU's peers are other Spirit-filled Christian educators, such as C. Peter Wagner's Apostolic Council for Educational Accountability and Christian Accreditation International. The U.S. Department of Education is not a peer of Christian Leadership University.

Government-recognized accreditation is not necessary for the religious vocations we are training people in, which include: Bible, Business as Ministry, Creative Writing, Christian Counseling, Christian Leadership, Divine Healing, Divinity, Intercession, Ministry, Missions and Evangelism, Prophetic Ministry, Theology, Worship Ministry, and Youth Ministry. People can function and hold jobs in all of these areas without government-recognized accreditation.

***Individuals seeking employment in government-licensed positions such as public school teachers, state-licensed psychologists or psychiatrists, and non-church-related counselors definitely need government-recognized accredited degrees.*** Generally, people working in ministry positions do not need a government-accredited degree. In fact, a number of churches take a stand against the Church voluntarily placing itself under government regulations.
